

## KEY ACTIVITIES 主要活动

### Annual Government Appreciation Reception 年度政府答谢招待会

The Annual Tianjin Government Appreciation Reception is the highlight of the year for the Tianjin Chapter, and is the primary opportunity for members to engage in meaningful dialogue with the Tianjin Government. Each year, we select a district or zone for more in-depth, one-on-one dialogue during this event, helping members better understand the business opportunities in Tianjin and make the connections they need to succeed. The dinner follows a high-level discussion with officials on the newly released White Paper, the Chamber's flagship product.
