## KEY ACTIVITIES 主要活动

### Working with the Wuhan Government 与武汉市政府合作

In addition to ongoing contact during the year, we also hold an annual dialogue with senior government leaders so that our member companies can better understand the city's plans and potential business opportunities. In particular, members get the chance to communicate with various government agencies to discuss how to improve the investment environment and make Wuhan an even more attractive place to do business.

活动旨在让会员企业对武汉市建设发展的规划和机遇有更深入的了解，并与武汉市各个政府职能部门交流和探讨如何改善投资环境，共同为促进武汉的经济发展而努力。

### U.S. Consulate General Briefings 美国驻武汉总领馆讲演

The chamber has cooperated with the U.S. Consulate General in Wuhan for many years. Each quarter, the consulate staff meet with members to keep them informed of U.S. government activities regarding economic, cultural, commercial or education areas.

定期与美国驻武汉总领事馆合作，为会员企业宣讲美国政府在经济、文化、商务和教育方面的政策更新以及最新动向。

### Inter-Chamber Networking 国际商贸组织联谊会

In cooperation with the Netherlands Business Support Office, Business France, the China-Britain Business Council, and the Canadian Trade Office in Wuhan, AmCham China holds a networking event every quarter to provide a platform for member companies to meet people from different fields.

定期与各国驻武汉商贸代表处合作组织联谊会，为会员企业搭建与各个领域专业人士互通有无的交流平台。

### Project Matchmaking 项目对接活动

We aim to help our members find new business partners or potential clients in central China. Based on their specific needs, we cooperate with local industrial associations and government agencies to organize customized project matchmaking events that create value for both sides. It's a great opportunity for member companies to introduce their advanced technologies or services to local enterprises and expand their reach in the region.

活动专为需要在华中地区寻找合作伙伴和潜在客户的企业而设计，根据会员企业的需求，有针对性的与相关行业协会或政府部门合作，组织专场项目对接会，帮助会员企业与相关联的上下游内资企业建立联系，搭建合作平台。
