

CHINESE GOVERNMENT AFFAIRS COMMITTEE (CGAC)

Through the sharing of members' knowledge and experience, and their analysis of policies, the Chinese Government Affairs Committee (CGAC) strives to communicate with both Chinese central and local governments, serving and advocating on behalf of our members. The CGAC also provides information and policy advice to AmCham China's leadership and Board of Governors, including through the Executive Policy Committee.

MAIN ACTIVITIES IN 2021

- Committee members helped draft and review our annual AmCham China *White Paper*.
- Co-organized the annual AmCham China Policy Priorities planning meeting, together with the Policy Committee.
- Organized a successful annual Government Affairs Conference, attracting more than 140 participants from 70+ member companies.
- Provided strategic advice to the development of the chamber's Chinese government engagement plan for our 2021 *White Paper* Delivery Meeting process.
- Supported our regulatory submissions, helping members deliver their messages, suggestions, and feedback to the central government, helping to shape new policies and regulations.
- Contributed to annual Business Investment Outreach Trips to Guangdong and Hainan Province.
- Supported several ad-hoc events with national government authorities, including with the National Development and Reform Commission and the Ministry of Commerce, to create opportunities for foreign-invested enterprises to communicate directly with relevant stakeholders and better understand local investment policies and business environment developments.
