

WOMEN'S PROFESSIONAL COMMITTEE

The Women's Professional Committee's objective is to foster and support the professional development of women through networking and information sharing. The Committee implements a series of programs, events, and activities throughout the year aimed at enhancing selected skill areas integral to success in the business world. It also provides a forum for members to share and learn from each other.

Committee Priorities:

Advocacy-Low

Business-High (information sharing)

Community-High (networking)

PAST ACTIVITIES

The Women's Economy Summit is a full-day annual leadership conference that brings together women entrepreneurs, corporate leaders, business experts, media, investors, and the government to foster women's empowerment in the workplace. The Summit aims to raise an awareness of the key role women play in global economic development and sustainability, highlight the importance of working together to support women leaders and entrepreneurs, and show how companies can implement women-specific policies that are both good for business and the larger community.
