

# CHINESE GOVERNMENT AFFAIRS COMMITTEE

The **Chinese Government Affairs Committee (CGAC)** is one of the most active committees in AmCham China with over 300 active members subscribed to the mailing list. Most of the subscribers are professionals in GA function. This committee supports and facilitates members to exchange their understanding and analysis of policies and organize events and meetings between member companies and Chinese Government at all levels. The Committee's 2023 strategic plan is organized around three types of activities: *Advocacy, Business, and Community (ABCs)*.

**Committee Priorities:**

**Advocacy-High**

**Business-Medium** (information sharing)

**Community-Low** (networking)

## Mission

Through the sharing of members' knowledge and experience and their analysis of policies, the Chinese Government Affairs Committee (CGAC) strives to communicate with both Chinese central and local governments, serving and advocating on behalf of our members. The CGAC also provides information and policy advice to AmCham China's leadership and Board of Governors, including through the Executive Policy Committee.

## Main Activities

To organize meetings and events with Chinese Government by inviting member companies to share their insights and concerns in daily operations.

To implement briefings on hot topics and current bilateral relations.

To design and execute events and discussions for GA professionals to enhance their professional skills.

## Past Activities

Successfully organized 2022 annual Government Affairs Conference

Conducted five separate events to invite experts to share their perspectives on US-China relations, the 20th Party Congress, Anti-monopoly Law and Chinese economic outlook in 2023.
