

INFORMATION AND COMMUNICATIONS TECHNOLOGY COMMITTEE

The AmCham China ICT (Information and Communications Technology) Committee includes members our major industry sub-segments: 1) Hardware, 2) Software, SaaS, and PaaS, and 3) Telecommunications Equipment and Services, 4) Managed Services. The ICT Committee's 2023 strategic plan is grouped around three types of activities: *Advocacy, Business, and Community* (ABCs).

Committee Priorities:

Advocacy-High

Business-Medium (information sharing)

Community-Low (networking)

Mission

- To improve the policy environment in ways that benefit both the industry and members;
- To share and discuss cross-sector business and policy issues to get smarter about the industry;
- To strengthen closer communication and cooperation for the broader technology space between the US and China.

Main Activities

ICT Chapter (drafted by Committee members) in annual AmCham China *White Paper*.

White Paper Delivery Meeting with the central government agencies – CAC 国家互联网信息办公室, MIIT 工业和信息化部, MOST 科技部.

Call-for-Comments helps members deliver their messages, suggestions and feedback to the central government for new policies and regulations.

Debriefing Events (Closed-door) - invite industry experts and officials to debrief new policies and hot issues for members.

Member Delegation Visits to provincial governments for direct exchange of ideas on specific issues

Regular meetings and events focused on issues important to Committee member companies.
