

MANUFACTURING, SOURCING, SUPPLY CHAIN AND CUSTOMS COMMITTEE

The AmCham China MSSC (Manufacturing, Sourcing, Supply Chain and Customs) Committee looks after the Chamber's largest membership segment from the Manufacturing sector and associated industries. The MSSC Committee's 2023 strategic plan is grouped around three types of activities: *Advocacy, Business, and Community (ABCs)*.

Committee Priorities:

Advocacy-Medium

Business-High (information sharing)

Community-Medium (networking)

Mission

To share and discuss cross-sector business and policy issues to get smarter about the industry;

To improve the policy environment in ways that benefit both the industry and members;

To strengthen closer communication and cooperation for the broader manufacturing space between the US and China.

Main Activities

Machinery/Manufacturing Chapter, Customs and Trade Chapter, and Express Delivery Chapter (drafted by Committee members) in annual AmCham China *White Paper*.

White Paper Delivery Meeting with the central government agencies – NDRC 发改委, MOFCOM 商务部, MIIT 工业和信息化部, MEE 生态环境部, GACC 海关总署.

Call-for-Comments helps members deliver their messages, suggestions and feedback to the central government for new policies and regulations.

Debriefing Events (closed-door) - invite industry experts and officials to debrief new policies and hot topics.

Member Delegation Visits to engage with provincial governments and facilitate direct exchange of ideas on specific issues.

Regular meetings and events focused on issues important to Committee member companies.
