

TIANJIN'S EDUCATION COMMITTEE

The AmCham China Tianjin's Education Committee's 2023 strategic plan is grouped around three types of activities: *Advocacy, Business, and Community (ABCs)*.

Committee Priorities:

Advocacy-Medium

Business-High (information sharing)

Community-Low (networking)

Mission

To foster dialogue between China and the US on education-related topics and to inform AmCham China members about cutting-edge developments in the field. The Education Committee hosts large panel events as well as smaller round-table discussions to bring together universities, K-12 international schools, placement agencies, educators, current students alumni, and concerned parents. The Committee hopes to build a bridge between Chinese and US education initiatives and showcase different models for collaboration between education and business.

Main Activities

Building an open platform for educators and senior corporate leaders to share and exchange professional opinions on current topics interesting to the education world.

Online and offline events to provide members with valuable and up-to-date information and insights on mental health and vocational education.
