

TIANJIN'S EDUCATION COMMITTEE

The AmCham China Tianjin's Education Committee's 2025 strategic plan is grouped around three types of activities: *Advocacy, Business, and Community* (ABCs).

Committee Priorities:

Advocacy-Medium

Business-High (information sharing)

Community-Low (networking)

Mission

AmCham China, Tianjin Chapter is committed to fostering meaningful dialogue between China and the United States on key education-related issues. The Education Committee organizes large forums and smaller roundtable discussions to bring together the Education Commission, universities, K-12 international schools, placement agencies, educators, students, alumni, and parents. The Committee aims to build a bridge between Chinese and U.S. education initiatives and to highlight innovative models of collaboration between the education and business sectors.

Main Activities

Forum and expert panel discussions to explore emerging trends and innovations shaping the future of education

Networking opportunities within the education industry

Meetings with the Chinese government on policies and trends

Collaboration with Women Professionals Committees on Youth Navigation Program

Leadership

Co-Chair:

Jason Wang,
Cheersyou International
Consulting

Co-Chair:

Chuck Yang,
Fayao Education

2025 Committee Strategic Focus

Advocacy (A)	Business (B)	Community (C)
Medium Priority	High Priority	Low Priority
Cooperating with local government on policy updates, international best practices, and providing feedback from the international education community.	Uniting the business community through education-industry collaboration, supporting member growth with knowledge-sharing events, and providing opportunities to showcase members' expertise, promote services, and boost market presence.	Organizing networking mixers to bridge education stakeholders.

2025 Working Plan (subject to Change)

Q1	Q2	Q3	Q4
