

# HEALTHCARE COMMITTEE

The **Healthcare Committee** includes members from four major industry subsegments:

1) Pharmaceuticals, 2) Medical Devices, Equipment, and Diagnostics, 3) Hospitals, Clinics, and Healthcare Services, and 4) Digital Health. The Healthcare Committee's 2025 strategic plan is grouped around three types of activities: *Advocacy, Business, and Community* (ABCs).

**Committee Priorities:**

Advocacy-High

Business-Medium

Community-Low

## Mission

To strengthen the long-term, constructive cooperation in the healthcare field between the US and China, to support capacity and capability building in the healthcare system in China, and to promote a healthy environment for the growth of the healthcare industry in China while helping American companies thrive in China.

## Main Activities

Healthcare Chapter in annual AmCham China *White Paper*. Annual AmCham China *Healthcare Industry White Paper*.

Research Program with stakeholders: School of Public Health, Capital Medical University, and Chinese Hospital Association.

High-level Roundtable Meetings with policy-makers: NHSA (National Healthcare Security Administration), NHC (National Health Commission), NMPA (National Medical Products Administration), etc.

Call-for-Comments on specific policy, help members deliver their messages, suggestions,

and feedback to the related government departments.

Regular Workshops & Healthcare Forum focusing on trendy specific topics.

Regular networking events (Mixer, breakfast meeting, etc.)

Delegation Visits (Shaanxi, Shanxi, Sichuan, Guizhou, Gansu, etc.)
