

YOUNG PROFESSIONALS COMMITTEE

The **Young Professionals Committee (YPC)** is a platform where young professionals can build their professional networks, develop career skills, and work with other young leaders to achieve success professionally. The goal of the Committee is to help young professionals in their career development in China through networking events and opportunities for learning and collaboration in diversified business areas. The Committee offers regular events, alternating networking happy hours with roundtable sessions. The Committee's 2024 strategic plan is organized around three types of activities: *Advocacy, Business, and Community (ABCs)*.

Committee Priorities:

Advocacy-Low

Business-Low (information sharing)

Community-High (networking)

Mission

The goal of the Committee is to help young professionals in their career development in China through networking events and opportunities for learning and collaboration in diversified business areas.

Main Activities

Networking - Networking events and activities – including a flagship Happy Hour mixer series – designed to help members expand and enrich their professional networks.

Training - Online/offline development opportunities for young professionals through skills trainings and communication workshops.

Resource Sharing – Multi-channel platform for members to exchange content, resources, opportunities and ideas across a range of topical interests, industries, and career stages.

Mentorship – Matchmaking, mentor-pairing, and career development across the AmCham China community and beyond.
